### PERIPHERAL VASCULAR DISEASE

Offering expertise in the management of peripheral arterial and venous disease using medical and endovascular treatment and intervention.

### ANTI-COAGULATION CLINIC

Monday-Friday 8:30 a.m. - 12 p.m. and 1 p.m. - 4:30 p.m.  
Laboratory testing and dosing adjustment per protocol for patients on anti-coagulation medications requiring routine monitoring. Newly referred patients will require an appointment for the first visit. Walk-in point of care once established.

### CARDIAC DEVICE MANAGMENT

Cardiac device programmer interrogation, monitoring, and patient follow up to ensure effective management of implanted cardiac devices.

### CONGESTIVE HEART FAILURE (CHF) CLINIC

Customized educational sessions with the CHF patient on learning how to manage their condition and improve quality of life while living with CHF.

### Directly Ordering Diagnostic Testing

Including Echocardiograms, Stress Testing, Holter Monitors, Event Monitors, EKG, and PFT please send to Cardiopulmonary.

**Fax orders to 505.609.2426**

**To Schedule call 505.609.6276**

### ELECTROPHYSIOLOGY

Offering full-time diagnostic and interventional electrophysiology services for the diagnoses and management of heart rhythm disorders.

### PULMONARY/CRITICAL CARE

Offering comprehensive diagnostic and therapeutic pulmonary services for the diagnoses and management of lung and respiratory system disorders.

### Coronary Calcium Screening

Coronary calcium screening is used to evaluate the presence of coronary calcium buildup. Once the score is known, this can help in the development of a treatment plan to manage or prevent coronary artery disease. To request a screening on an “at risk” patient for heart disease, an order is required.

**Fax order to 505.599.4660**

**To Schedule Call 505.609.6228**

Results are mailed to patient and faxed to ordering provider

### AZTEC OUTREACH CLINIC

Partnering with San Juan Health Partners Family Medicine to provide cardiology outpatient services to the local community in Aztec, close to home.

**Fax Referral to 505.334.8750**

**To Schedule Call 505.334.9441**
